FOR IMMEDIATE RELEASE:

MAX EQUITY PAYS OUT \$100,000 IN VOLUME REBATES TO DATE

CHESTERFIELD, Missouri – January 09, 2006 – Max Equity Contractors' Buying/Marketing Group LLC today announced that they have surpassed \$100,000 in volume rebates paid to members to date, with the payment of rebates for the 3rd Quarter, 2005.

In a prepared statement, Robert Sayre, President of Max Equity, stated, "This is a significant milestone in Max Equity's goal to help the independent remodeler/contractor better compete with the giant chains. As the word about what we're trying to do gets out, our membership will continue to gain strength in the marketplace."

Max Equity Contractors' Buying/Marketing Group is dedicated to the survival of the independent remodeler. Their purpose is to help members, now over 6,000 nationwide, to become more competitive with the giant box stores who are now aggressively going after the "install business".

Membership is free to all remodelers/contractors, and includes the following benefits:

- Lower cost of materials through volume rebates and online shopping.
- Free remodeling leads (there is only a small referral fee if the job is contracted or sold).
- Lower cost of business insurance.
- Free information, including downloadable books, available to both members and their customers.
- Free bold listing on our Contractors Internet Directory website (to be launched February 1, 2006).

Max Equity hopes to grow membership to over 20,000 members by the end of 2006, and influence over \$10 billion in material purchases annually.
